

# THE PATHWAY

The Edmonton Society for Christian Education partners with Edmonton Public Schools to operate Edmonton Christian Schools.

March 2017

## New Logo and Brand Identity

The vision of Edmonton Christian Schools is that we challenge students, through Christ-centred education, to actively play their role in God's story.

That is how students can be transformed in body, spirit and mind to live for reconciliation and renewal.

Our new logo integrates three elements: Biblically based **learning** leads to **confident hope** through Christ-centred **passion and energy**.

Put another way, at Edmonton Christian Schools a **Christ-centred foundation** gives students the **power to transform** by playing an **energetic, heart-felt role** in God's story.

Tell us what you think!

## Tax Receipt Update

Thank you to all of our supporters for your donations this past year! Your monthly donations, membership renewals, auction and golf donations and sponsorships are appreciated! Tax receipts were mailed to you in early February.

Unfortunately for our parents, we continue to be unable to issue tax receipts for Christian Program Fees. The CRA has failed to respond to our request for a ruling on whether or not we can issue those receipts. Several Christian School Societies, including ESCE, met recently and

decided to file an appeal to the Tax Court. We feel this is now the only option and we hope that this will force the CRA to negotiate an agreement within a year. We will keep you up to date.
